NewfStock is Newf Friend's biggest fundraiser of the year and the funds raised at this event are needed to keep our rescue running throughout the whole year. Thank you for participating in this event!

Parade Pledges

We're kicking off the day with a short parade of Newfs around Millennium Park, led by rescue dogs. We encourage all attendees to join in the parade and show your support of rescue. What a sight this will be, nearly 100 Newfs, plus loads of Newf wannabees parading around the park!

We're asking attendees to collect pledges for participating in this Newf Rescue Parade in the hopes that we can bring in some much needed dollars to help us meet the needs of Newfs over the coming months. We've got a **special prize** for the person who collects the most pledges! We've arranged two easy ways you can collect pledges.

Download & Print a Pledge Sheet

Pledge forms can be downloaded and printed. Collect pledges and bring the money collected and the pledge sheet to Newfstock. (Cheques should be payable to HART with Newf Friends in the memo line.)
